Brand New Book ***** Print on Demand *****.Excerpt from Our Junior Department This volume is one in a series of texts in religious education known as the Judson Training Manuals for the School of the Church. These manuals are arranged in three groups, namely, general, departmental, and parent-training. The general group includes vital teaching, story-telling, educational evangelism, expression through worship, handwork, community service, appreciation of the Bible, educational leadership, and kindred worth-while themes in the field of religious education. The departmental group covers courses for every department of the school of the church - Cradle Roll, Beginners , Primary.
