Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.MEDICINE FROM THE HEART is a skillfully-woven collection of essays written by an author who has spent more than three decades practicing medicine in rural America. Dr. Remakus uses the real-life experiences of patients and health care providers to analyze contemporary health care issues as well as age-old medical problems. In doing so, he convincingly demonstrates the value of a traditional doctor-patient relationship and its place in modern society. MEDICINE FROM THE HEART is a guided tour through contemporary medicine with stopovers at the homes of some interesting patients and health care providers. The stories are powerful, the messages insightful, and the effects as varied as the entire range of human emotion. From cover to cover, this book will make you think, feel, understand, care, and rejoice in the power of the human spirit. MEDICINE FROM THE HEART deals with such topics as: patient access to health care in America, faith as medicine, the Hippocratic Oath, physician purpose, medical families, the art of medicine, popular medical misconceptions, compassion in medicine, the history of medicine, taking care of aging and infirm patients, rural health care, Roy Rogers - the doctor, pro bono medical care, medical errors, dying with dignity, communicating with patients, physician-assisted suicide, physician shortage in America, a treatise on life, medicine at sea, physicians talking about their mistakes, house calls, the importance of screening mammography, obtaining free precription drugs, Santa Claus s doctor, and many other timely subjects. Editorial Reviews: MEDICINE FROM THE HEART is a reflection of medicine that captures the spirit of the doctor-patient relationship and reveals the humanity still possible in modern medicine. It should be required reading for every health care professional. -...
