This item is printed on demand - Print on Demand Titel. - Essay from the year 2006 in the subject Business economics - Marketing, Corporate Communication, CRM, Market Research, printed single-sided, grade: 1st, University of Lincoln (Faculty of Business & Law), course: International Marketing Strategy, 39 entries in the bibliography, language: English, abstract: Market analysis is an important instrument in assessing the attractiveness of a particular market, since it is utilised to decide whether to enter a foreign market in terms of international marketing strategy. It is necessary to apply a market analysis in order to determine and examine the appropriate approach to enter a market. This essay provides a scan of the Thai market attractiveness for the Danish medium-sized enterprise Red//Green, in order to recommend a market entry strategy. The first section focuses on the application of the 12C framework in order to draw up a market attractiveness profile, combined with a risk evaluation of the Thai market. The second part determines the attractiveness of the Thai market with respect to the information and relevant factors gathered from the 12C model. Interpretation of those factors will then be...
