ABC-CLIO, United States, 1989. Hardback. Book Condition: New. 2nd Revised edition. 236 x 157 mm. Language: English . Brand New Book. Overall this is an outstanding compilation and one likely to be frequently consulted by students of American diplomacy. Booklist It is refreshing to find a work that really is revised and expanded. Findling has made a good reference work better by adding nearly 100 new entries to the first edition to cover the last years of the Carter presidency and most of the Reagan years. The strength of this work is Findling s treatment of personages, events, and organizations. He stresses not only the who, what, where, and how but also states the significance of the aforementioned entrants.Findling gives the user helpful references for further reading on each entry.
