SAVING MINER S GULCH (PAPERBACK)

DOWNLOAD PDF

Createspace, United States, 2013. Paperback. Book Condition: New. 201 x 132 mm. Language: English . Brand New Book ***** Print on Demand *****.SAVING MINER S GULCH is a middle-grade boy adventure. A miner forty-niner ghost joins forces with two young brothers searching for gold in an attempt to stop dangerous mobsters from turning a mining town into a giant cow pie. In 1849, Jack Boyd was a fifteen-year old miner seeking his fortune in California. After several mining camp misadventures, Jack blasted a hillside and struck it rich. When the evil Harrington brothers tried to steal his claim, Jack plunged into his caving-in goldmine and disappeared. Now he haunts the hill, keeping trespassers from finding his treasures until the day that two boys wander too close to his mine. When Michael and Johnny Boyd visit Miner s Gulch, they fear that summer s vacation will be one giant bore-fest. That is until they hear the legend about a lost goldmine. What if Michael and Johnny could find that mine? Man, what they could do with all that gold! But bad guys are looking to strike it rich too. The present-day Harringtons are still evil and will destroy the town and everyone in it to get what they want. The boys need to work with a ghost to find the gold, save the town, and somehow live to tell the tale. K. Troutte blends a ghost story with mystery, Gold Rush adventure, and good old-fashioned boy humor. Fans of Holes, The Goonies, and White Fang might enjoy this story.
