DAW BOOKS, United States, 2016. Paperback. Book Condition: New. 170 x 104 mm. Language: English . Brand New Book. It has been a year since former thief Frank Blackthorne became Princess of Lendowyn and married a dragon. He s coming to terms with his new life, but during the royal anniversary banquet, an elven prince reads a scroll of evil magic and Frank s world is turned upside-down. Again. The scroll s spell causes a murderous rampage in a palace full of noble dignitaries, so it s no surprise Frank s visitors are angry. The Elf-King Timoras threatens war but Frank can t do anything about it: because of the same bit of scroll magic, the ex-Dragon Lucille has taken over the princess s body, unaware that Frank is still there, locked in her skull. And worst of all, the fate of everyone may soon rest on the shoulders of the man responsible for the whole mess, someone who should be safely dead.
