ARCHIPELAGO BOOKS, United States, 2011. Paperback. Book Condition: New. None.. 163 x 137 mm. Language: English . Brand New Book. By the Koscielski Prize-winning author of Dream and Stones, In Red is the gripping cautionary tale in which real and unreal combine explosively, making us question the nature of the work itself. Set in an imaginary fourth partition of Poland, In Red retraces the turbulent history of the Twentieth Century in a labyrinth of greed, inheritance, and entropy, enacting word by tremulous word the claustrophobia of a small town from which there seems to be no escape. Never have Tulli s trademark precision of language and her crystalline storytelling been put to such brilliant use.
