Heres what todays educational leaders need to know, what they should be able to do, and how they should behave in order to lead schools that address the needs of all students. Practicing the Art of Leadership by Reginald Leon Green presents success-proven practices, processes, and procedures grounded in time-tested theories, current research, and the creative, innovative, real-life experiences of educators in the field who are transforming underperforming schools into thriving educational learning communities. An invaluable guide to what todays educators need to know, how they need to do it, and the ways they should behave as exemplary leaders, the book takes into account the many changes in the standards, competencies, and accountability movements that have ushered in a new set of demands, requirements, and expectations...
