Createspace. Paperback. Book Condition: New. This item is printed on demand. Paperback. 570 pages. Shangri - La is a volume detailing myths of a Paradise, Utopia or place inhabited of Monks or person; who are said to work to better humanity. World events in their cause and effects are theorized shadows of their work. Shambala is primarily claimed North of Tibet or Mongolia; while ancient texts translate the name to mountain place or pass. They supposed number seven hidden location, and the text traces and names variety of such story. Western tradition of Shambhalah trace from 1930s book and cinema Lost Horizon. Variety of literature include Thomas More of Henry VIII England; who wrote the work Utopia. It is said to be an island Kingdom Mid Atlantic; who had such wealth to be able to purchase wars, live in the sun and at a peace. My volume retains theory of Shangri - La to be an inner or parallel dimension; so to work of primary themes to interpret Archangel theme into those higher principles. The volume is format of more than 150 color art and photo; while to be set of series of visual art into conceptual language. The ancient language of these is reviewed basis to read ancient text, and will defy actual or written word; such as to be able to speak or write of an English in reflective manner. Alternative description to a faith or piety will detail theory to call the game ball of God to be a Sham or fake; so the region or place of Shambhalah is not across an actual ocean. See art in series of a Grand Canyon, and defies to be able crossed. The denial or refusal to accept or understand the phenomenon then traces illness or disease to be impossibly...
