Reviews

The most effective pdf i ever go through. It is probably the most incredible book i have got study. You wont sense monotony at at any time of the time (that's what catalogues are for relating to if you check with me).

Our wrists hurt from typing on our too flat keyboards.We put the TV on mute when it gets to noisy in the bar, and follow the action with the captions. We duck into the handicap stall at the airport because it s big enough to accommodate us--and our rollbag and our computer bag. Still, we say, the disabled are ruining things for society. They want special keyboards at work to help them type. They want accessible restrooms everywhere. They want more captioning on television. They re always wanting special accommodations --from MAKE THEM GO AWAY. This book from long-time disability social issues reporter Mary Johnson is indispensable. It s the genuine article--Johnson was there --Marta Russell.
