Reviews

Definitely one of the best book We have at any time go through. It is actually filled with wisdom and knowledge I am quickly could get a delight of studying a published book.
(Dr. Kim Bergnaum)

RAINBOW MEWSIK POETRY

DOWNLOAD

Red Deer Press. No binding. Book Condition: New. Audio CD. Dimensions: 5.7in. x 5.0in. x 0.4in.rainbow mewsik brings you the sometimes harmonious, sometimes jarring words, vocalizations, and music of world-renowned sound poet bill bissett. This is poetry that bends your ear, that makes you stand up and take note. Through a rich and provocative mix of maracas, verse, meditations, chants, saxophones and other instruments, rainbow mewsik is fresh, in-your-face performance literature that constantly plays with how we create rainbows of meaning via everything to do with sound. In rainbow mewsik bill bissett has teamed up with Chris Meloche to develop musical and electronic treatments of several pieces. 4shadowing, for instance consists of only one word recorded directly onto the computer, then stretched and put through a process called granular synthesis, which allowed them to manipulate the tiniest aspects of sound in real time. Other pieces in the collection were recorded live, in real time, with no overdubbing or post-production work. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Audio CD.
