What does your 'style' of operation say about you in life? The Pioneer is known for their gumption, ingenuity and no-holds-barred approach to life. They are extremely pragmatic, risk-averse and action-oriented. They like having a sense of power and being able to prove their strength. They are loyal and generous to those close to them. On the negative side, they can be extremely willful and domineering. The Pioneer can be headstrong, blunt, confrontational and vengeful. 'Never say die' is their motto, and dislikes weakness or to be questioned. They are also likely to be careless as they tend to look at the bigger picture and neglect the small details.
