SIMON SCHUSTER AUDIO, United States, 2010. CD-Audio. Book Condition: New. abridged edition. 147 x 132 mm. Language: English . Brand New. When a night-time call to 911 from a secluded Wisconsin vacation house is cut short, offduty deputy Brynn McKenzie leaves her husband and son at the dinner table and drives up to Lake Mondac to investigate. Was it a misdial or an aborted crime report? Brynn stumbles onto a scene of true horror and narrowly escapes from two professional criminals. She and a terrified visitor to the weekend house, Michelle, flee into the woods in a race for their lives. As different as night and day, and stripped of modern-day resources, Brynn, a tough deputy with a difficult past, and Michelle, a pampered city girl, must overcome their natural reluctance to trust each other and learn to use their wits and courage to survive the relentless pursuit. The deputy s disappearance spurs both her troubled son and her new husband into action, while the incident sets in motion Brynn s loyal fellow deputies and elements from Milwaukee s underside. These various forces race along inexorably toward the novel s gritty and stunning conclusion. The Bodies Left Behind is an epic cat-and-mouse chase, told nearly in real-time, and is filled with Deaver s patented twists and turns, where nothing is what it seems, and death lingers just around the next curve on a deserted path deep in the midnight forest.
