Taylor Francis Ltd, United Kingdom, 2011. Paperback. Book Condition: New. 230 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Gender Inclusive offers a challenging and unconventional reinterpretation of gender and mass violence. Compiling essays and excerpts drawn from nearly two decades of Adam Jones s writing on gender and politics, this stimulating and diverse collection of essays explores vital issues surrounding gendercide (gender-selective mass killing) including: * How gender shapes men and women as victims and perpetrators of mass violence, including genocide. * The range of gender-selective atrocities inflicted upon males, especially the gendercidal killing of civilian men of battle age. * The victimization of women and girls worldwide, including the structural forms of violence (gendercidal institutions) directed against them. * Genocidal violence throughout modern history, with a particular focus on the Balkans and Rwanda. * In-depth critiques of prevailing gender framings in academic scholarship, mass media, and the policy sphere. Adam Jones - recently selected as one of fifty key thinkers in Holocaust and genocide studies - contests prevailing interpretations of gender and violence, arguing that they fail to capture the broad range of gendered experience. His global-historical treatment is essential reading for anyone with an interest in genocide, human rights and gender studies.
