This is not everyone s favorite, but its on everyone s list. This is the most widely published and read book on spirituality in our tradition. It is amazing how well its medieval monkishness carries over into the modern world. When Dag Hammarskjold was killed in an airplane crash in Africa, the books found in his briefcase were the Bible and The Imitation. Eugene Peterson, from his book Take and Read Next to the Bible itself, The Imitation of Christ is the most-published and most deeply cherished book in any language.
