With further reference to your complaint in re establishment of an agency at Maxson, I am sending you herewith copy of answer of the Atchison, Topeka Santa Fe Railway Company. Kindly note the amount of business as alleged to be afforded to the respondent at your station. You probably have an idea of the amount of expense incident to the hiring of an agent and the furnishing of supplies, such as blank forms, fuel and lights. If the allegations of the answer are true it would take approximately the entire earnings of the station to pay the station running expenses. However, if you feel that these allegations are not true, and that you can make a showing of a sufficient amount of business afforded the respondent company to warrant the Board in ordering the relief desired and will file a reply to this answer, the Board will set the case for hearing. You understand that unless a showing of sufficient earnings is made the order of the Board is not enforceable in the courts, and an action to enforce it is a useless expenditure of state funds. January 1, 1908, no reply to said answer having been filed, the case was closed. No. 655.--Filed September 15, 1907. RAILROAD CROSSING. A. T. S. F. Rly. Co. vs. M. K. T. Rly. Co.
