He assembles his tight band of men who begin to sift through a myriad of suspects. The devastated parents seek closure, but from the post mortem examination and the witness enquires, the shocking secret life of the victim begins to slowly unravel. DCI Mick Mustard s traditional approach is challenged by his newly appointed assistant chief who is keen to get a result. Likewise the new superintendent wants the case solved so she can bask in the reflected glory. This clash of street cop and management cop cultures leads to tensions. The arrival of criminal profiler Professor Black at the invitation of the assistant chief adds fuel to the fire. Mick Mustard s team rely on using his tried and tested bad cop/ good cop techniques. By contrast Professor Black uses the analytical approach of profiling to try and solve the case. His findings lead to a shocking revelation that sends shockwaves through the village. The prolonged investigation takes the reader on a roller coaster ride of twists and turns. How will this clash of cultures be resolved and will innovation triumph over tradition? Will the true suspect be captured or will a miscarriage of justice occur? Who is travelling in the Dead man s curve and who will survive?.
