Social work practice skills text/workbook plus web-based case studies This book is part of the Connecting Core Competencies Series. This series helps students understand and master CSWE s core competencies with a variety of pedagogy highlighted competency content and critical thinking questions for the competencies throughout. Social Work Skills for Beginning Direct Practice, 3/e, guides students through all stages of the helping process and assists them in developing time-tested social work skills. By using the text/workbook PLUS the web-based, interactive case studies in MySocialWorkLab, students will gain a greater understanding of how to use social work skills in the context of each of the stages of the helping process -- from intake through termination. In addition, individual chapters are devoted to values and ethics; theory directed practice; cultural context of practice; basic skills for direct practice; and advanced skills for direct practice. The interactive case studies found on the book-specific MySocialWorkLabcontain video segments demonstrating different social worker-client case studies across a variety of practice contexts. Students can view the video, stop the action and respond to questions, look up references, or...
