Brand New Book ***** Print on Demand *****.Far from Home: One Woman s Story of Her Life in South Texas. Eny Samuel enjoyed a life of privilege nearly all her life. With a devoted and loving family, she attended some of the best private schools in Kenya and England, and enjoyed vacations abroad. Hers was a life most could only dream of at that time. It wasn t until she married Dezo Nondo, a handsome yet calculating charmer, that her life as she knew it turned into a seemingly endless nightmare. This candid memoir is a mother s way of preparing her young son for the challenges he may face in his life. It poses questions about race and racism, relationships, and the identity crisis multi-racial kids often face especially those from broken homes. It s a lesson for a son on how an individual s difficult childhood can define his/her adulthood, for better rather than for worse-that it s a choice. Last, but not least, it is an expose of one woman s experience with the unjust judicial system of Hidalgo County.
