Convolution (Paperback)

By Gary Ellis

AUTHORHOUSE, United States, 2011. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Bad stuff happens. It s all around us. Most of us don t like bad stuff. Let s get rid of all the bad stuff-then there will be just good stuff and we can all live happily in Utopia. Who s going to get rid of the bad stuff? Who else? Government! Of course! Just pass laws against bad stuff and it will all go away. Right? Wrong! You know better than that! The United States presently has the greatest percentage of its population behind bars than any country in the history of the world. (Don t take my word for it-look it up!) Those of us not behind bars should be the happiest people in the world, shouldn t we? Unfortunately, those behind bars, all the people who put them there and keep them there and all the people who make and administer the laws to do away with bad stuff, are all consumers-their contribution to the economy negative. When we add up all the jail-birds, cops, lawyers, bureaucrats, lazy whiners and politicians, we have more people...

Reviews

I just started off reading this article publication. It is definitely simplistic but surprises in the 50 percent of your ebook. You are going to like how the author create this publication.

Completely essential go through book. I actually have go through and i am sure that i am going to going to read yet again yet again later on. It is extremely difficult to leave it before concluding, once you begin to read the book.
