Dimensions: 9.0in. x 6.0in. x 0.5in.Selling Your Business - December 2013 Edition Selling a business requires careful tax planning. Get it right and you will reduce or even eliminate your capital gains tax and income tax bills. Get it wrong and you could end up paying a large chunk of your profits to the taxman. This unique and recently updated 200 page selling a business book tells you everything you need to know about paying less tax and maximizing your profits when you sell your business. The changes to the capital gains tax regime, that apply from 6 April 2008, have important implications on the amount of tax you will pay on the sale of your company or business. This book explains exactly what these changes are, how they will impact on your business disposal AND crucially, what you can do to further reduce your tax liability. It is essential reading for anyone selling a company or sole trader business. Even if you have a good accountant you should read this tax guide if youre selling your business - it contains lots of...

Reviews

An exceptional ebook along with the typeface employed was intriguing to see. It really is simplistic but surprises within the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.
