How Do Children Learn Gender and Why

By Irina Maric

GRIN Verlag. Paperback. Book Condition: New. Paperback. 20 pages. Dimensions: 10.0in. x 7.0in. x 0.1in.Seminar paper from the year 2010 in the subject Women Studies Gender Studies, grade: 12, 00, Justus-Liebig-University Giessen (Institut fr Anglistik), course: Applied Linguistics, language: English, comment: The assignment deals with the phenomenon of gender learning using a sociological (and partly a linguistic) approach. The content was 13 p. , but the form only 10. , abstract: he aim of this paper is to critically discuss the hypothesis that children learn gender behaviour and if this is true, when and why do they do so. In order to do so, first of all it is necessary to define the terminology used in this paper. In a second step we need to evaluate the present findings with the view to finding out if there are other approaches to the topic. The following paper will therefore present the standpoints of different researchers, display both contrasts and similarities and try to find arguments supporting or opposing the findings. From my point of view, both genetics and socialisation are responsible for the gender behaviour, which can be observed in even very young children. Gender, in contrast to sex, is a...
