We must go forth from here united, determined that what a great general said a few years ago is true: There is no substitute for victory. Ronald Reagan, 1976 Republican National Convention The New Reagan Revolution reveals new insights into the life, thoughts, and actions of the man who changed the world during the 1980s. The challenges and threats we face today are eerily similar to the conditions in the world before the beginning of the Reagan era. The good news is that we already know what works. It s a plan he announced to the nation, straight from his heart, when he was called to the podium during the 1976 Republican National Convention. It s the plan he put into action during his eight years in office as the most effective president of the 20th century. This plan saved America once and can do so again. Ronald Reagan brought America back from the brink of economic ruin and tossed the Evil Empire into the dustbin of history. That is why I call him, with true reverence and the highest of esteem, Ronaldus Magnus. Now his elder son, Michael Reagan, has written the definitive book on Ronald Reagan s vision and achievements. He writes from a close-up perspective no other conservative can match. My friend, Michael Reagan has...
